

# CLARETES NISHOBAN

INFORMATION TECHNOLOGY - UNDERGRADUATE

Passionate about IT and software engineering since a young age, I've been captivated by the world of technologies and computers. My educational journey in Information Technologies has further solidified my expertise in algorithms and software design. Always eager to push the boundaries of my favorite fields, I've navigated life's events with a leap of faith. I'm thrilled about the opportunities that lie ahead and excited to shape the future through my contributions to software engineering.
